Remarks :

Bayliner 288 - 2006

A spacious flybridge cruiser powered by a single Mercruiser 300 HP engine. There is accommodation for 6, a good galley with a microwave and fridge. The boat has a holding tank for the heads, and the shower has hot and cold pressurized water.

The fly bridge seating has been reupholstered giving the boat a pristine feel. Both helm positions are well equipped with a chart plotter taking care of navigation.

The boat has been recently serviced, and used for several family outings on the Bristol Channel.
