Newly re-furbished

New Electric heads

New sink and tap

Solid wood worktop

## Storage

Space and plumbing for additional shower if required

## Remarks :

### **Souter 50 - 1971**

This boat was built in mahogany in 1971 at the iconic Souter Marine yard in East Cowes on the Isle of Wight. She retains her Cummins VT300 V8 engines in full working order and a functional flybridge helm position, but is primarily configured as a floating home. She would make an excellent live aboard or holiday home.

The flybridge has been stripped back to give maximum floor space for lounging and sun bathing. There is plenty of room up there for entertaining. The aft deck is also very large and offers a great space for a large BBQ for the upcoming summer evenings!

There are 3 cabins below. The master cabin is very spacious with a king size bed, wardrobe, dresser, storage and en-suite with new electric toilet and large double shower. Opposite there is a bunk bed cabin with wardrobe and storage. The forward cabin has twin berths and ample storage space.
