Mechanical and Rigging

Inventory

Manufacturer Provided Description

Since our start in the 1970s, we have focused on good sailing specifications and spacious living quarters: a combination which has proven to be extremely successful. The Maxi 33 upholds this tradition. The elegant design by Pelle Peterson provide the prerequisites for superior sailing, while the roomy interior gives a level of comfort that is hard-to-beat. Maxi Yachts is one of the most prominent names in the industry and our trademark signifies quality, advanced technology and genuine craftsmanship - all of which is reflected in some of the highest re-sale values on the market today.

Stored ashore every winter for the last twenty years.

Broker's Comment

"Oryx" is an easy to handle cruising boat and has been well minded by her present owner for the last twenty years. Her owner has reluctantly decided to retire from sailing, hence the sale.
