- 3 x October 2021 - 12v. batteries (engine and two service batteries)

Broker's Comments

"Wave Dancer of Cork" has been well maintained by her owner of twenty years and has the added advantage of a fresh engine and brand new standing rigging. Viewing is highly recommended.

Accommodation

Remarks :

This center cockpit 1989 Moody 376 is powered by a shaft driven (2014) Nanni 38HP (450 hours) diesel engine and her standing rigging was replaced in August 2021. Her inventory includes on-mast furling mainsail, furling genoa, electric windlass, two cabins, two heads, hot water, colour chart-plotter, radar, AIS, sprayhood with solid windscreen, recent batteries and more. She is Registered in Cork and is an excellent example of this popular model and is for sale because it's owner of twenty years is reluctantly retiring from sailing.
