Inventory

Builders Comments

The shape of this yacht has its origin in the classical mould of the fishermen's yawls out of Lynaes, situated at the north-coast of the Danish island Seeland. This shape, which has been in the Scandinavian countries for centuries is considered ideal for sailboats and fishing boats.

Construction

GRP hull and foam sandwich deck.
Long keel with keel hung rudder.

Rigging and Sails

Masthead rig with a single set of spreaders in a stainless steel tabernacle

2014 Standing rigging

2014 "Schaefer" furling gear on the forestay with "Harken" stanchion blocks

2014 "Harken" mast track complete with batt cars for easy hoisting and dropping the mainsail

Single line reefing, fully battened mainsail in excellent condition, with all lines controlled from the cockpit

2021 Lazybag

Broker's Comments

"Seanóg" is really in excellent condition and is ready to go sailing with a new owner. She feels bigger than her 26 feet and is surprisingly roomy inside. She is a sweet cruising boat, which in turn makes viewing a must.

Accommodation

Remarks :

This 2005 Midget 26 is a long keeled double ender and really is in superb condition. She is powered by a Vetus 25hp diesel engine with only 513 engine hours. Her inventory includes, slab reefing mainsail with single line reefing, new lazy-bag, furling genoa, new sprayhood, four berths including a large double berth aft providing amazing space for a 26 footer, hot water, heating, colour chart-plotter, radar, autopilot and much more. Viewing is highly recommended.
