- **Drive Type:** Direct

Dehler Delanta 78

Broker Remarks

This 1981 Dehler Delanta 78 (26 feet) was designed by Van de Stadt. There were over 300 of these boats built and she is certainly a sturdy, family cruiser. Her inventory includes a (2015) Beta 20HP diesel engine with only 540 hours, 2016 mainsail, 2014 furling headsail, 2015 cockpit enclosure, five berths, 2013 colour chart-plotter, marine toilet and more. She is in exceptionally good condition and really is excellent value!

Accommodation

Construction

GRP hull and deck

Cast iron fin keel

Spade rudder

Rigging and Sails

Alloy Mast (7/8ths rig) and boom

Furling forestay

Spinnaker pole

2002 Standing rigging

Build No. 1603

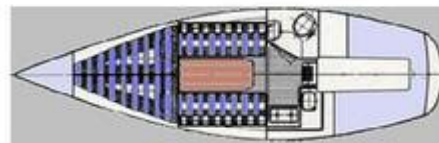

Hull Painted in 2009.

In 2015 the bottom was completely stripped and faired and 5 x Coats International Gel Shield 200 was applied. This was done as a preventative measure.

Owner's Comments

'Symphony' is in her fourth ownership. She has been well maintained and has been substantially upgraded. I found her to be a safe and solidly built Van de Stadt design. Her 45% ballast ratio has always been a comfort to me.

"Symphony" is an easy boat to sail single handed a cruiser and a good investment for money for many view.
