Mechanical and Rigging

1997 Yanmar Engine

Inventory

Hull and Deck

GRP Hull and Deck.

This is the Mark III version which includes the following modifications, skeg part of GRP hull moulding, central nacelle extended to rear of aft cabin to reduce wave impact on bridge deck under bunks in heavy seas, hatches to aft cabins hinged, keels extended forward by 18" to ensure level taking of the ground, saloon entrance squared off at the top rather than semicircular.

Rig and Sails

Bermudan sloop

Anodised alloy mast with a single set of spreaders.

2 x Halyard winches by Gibb

2 x Lewmar 16 sheet winches

2 x Genoa sheet tracks

Mainsheet track on the aft coachroof

Rope running rigging

Harken Furling forestay

2006 Arun mainsail with 2006 lazybag and lazyjacks

2006 Arun Furling Jib

1980 C&W Cruising Chute

1980 Storm Jib

Accommodation

There is good access from the cockpit to the saloon because they are at the same level. U-Shaped settee in the saloon, the saloon table is amidships and can convert to a large double berth. Opening deck hatch. The all round visibility is excellent in the saloon. (2004) 16" TV with masthead antenna.

Twin aft cabins with double berths and storage space.

The L-shaped galley is situated at the port hull and was replaced in 2012 and comes well equipped with a stainless steel sink, hot water, 2004 Plastimo Neptune two burner gas cooker with grill and oven, cool box and plenty of storage space.

The Marine toilet and wash hand basin is situated forward at the starboard hull.

The folding chart table is also to starboard aft of the heads.

All the headlining was replaced in the last few years.

2014 Survey

Broker's Comments

"Melody Ann" is an ideal boat for family cruising and with the added advantage of her shallow draft, will get you into more sheltered bays. She requires a bit of t.l.c. and is open to offers"
