Broker's Comments

"Lonehort" is a classic long distance cruising yacht and has been lovingly cared for by her two Irish owners since 2003

She is well equipped and is in outstanding condition for her year.

The addition of furling sails, bow thruster, electric windlass, self-tailing winches, autopilot and chart plotter ensure easy handling in safety.

Living aboard with central heating, hot water, two heads and a shower certainly adds to her comfortable cruising!!!!

This is a unique opportunity to purchase a much loved boat!
