Broker's Comments

Large open cockpit with high sides, ideal for angling or for family use. Her topsides could do with a buffing and does require some painting in the cockpit.

Remarks :

This Seamark 26 was completed in 2006 and comes with a (1994) 86HP Perkins diesel engine (running very well). She is a fine sturdy sea boat with a large cockpit and plenty of storage. She is ideal for angling or pleasure. Her teak laid cockpit sole and her teak fore-deck really adds to her appearance. Offers considered.
