## Broker Remarks

This 2005 Beneteau First 21.7 has been lightly used by her one owner from new. Her inventory includes an excellent road trailer, 4 berths, 2022 standing rigging, 2019 furling headsail, slab reefing mainsail, 2 x spinnakers, lazy jacks and a 5HP Yamaha outboard engine. The First 21.7 is an ideal easy to handle starter boat and well worth a look!

This "pocket-rocket" cruiser-racer boasts an enviable level of equipment and a roomy interior. She is a cruiser in a class of her own.

## CONSTRUCTION

- The hull is a single-skinned GRP laminate.
- A structural inner moulding formed with unidirectional materials is bonded and laminated to the hull at various points. This plays an important structural role by absorbing the loads and pressure points (shroud chain-plate tie rods, keel, rudder, etc.) throughout the structure, spreading these to reduce stresses on the hull. The surface material of the inner moulding makes it easier to clean and provides a better finish.
- Buoyancy foam sections are distributed within the hull structure.
- The hull gel coat is grey in colour.

## INTERIOR

- The light coloured woodwork is pear-coloured Mukali.

### - FORWARD CABIN -

- Double berth with 1.90m x 1.40m mattress.
- Wood shelving units along hull sides.
- Under berth stowage.

### - SALOON -

- 2 single berths 2.20m x 0.60m with mattresses.
- Cream coloured PVC upholstery.
- Fabric curtain with pole separating cabin from saloon.
- Stowage under cockpit and berths.
- 2 fixed hull ports.
- Manual bilge pump.
- GRP non-slip treated sole.
- 2 hooks for hanging oilskins.
- Stowage space for saloon/cockpit table below companionway.
- Lined inner ceiling finish to coachroof.
- Lighting (striplight on beam)

## ON DECK

- Fractional rig with 2022 Standing rigging
- The deck is of injection moulded (glass fibre/balsa/resin sandwich) construction for enhanced strength and optimal insulation.

## - MOORING AND ANCHORING -

- Aluminium bow fitting with stainless steel fairlead roller.
- 2 fairleads on the bow fitting.
- 2 aluminium bow mooring cleats.
- 2 aluminium stern mooring cleats.
- Self-draining chain well.

## - PULPITS AND GUARDRAILS -

- The boat has a stainless steel pulpit with three supports to simplify anchor handling, and two stainless steel pushpits.
- The deck is surrounded by a stainless steel guardrail supported by 4 stainless steel stanchions with flush anodised aluminium bases.

## COCKPIT

- 2 locking wet lockers.
- Manual bilge pump.
- 2 x teak toe-rails on the cockpit benches.

## ELECTRICS

- 1 x 12 V 50 Amp battery.
- 6 switch 12 V electrical pane
