Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Remarks :

The Westerly Falcon is a pretty Dubois design, with good performance and a solid build. Toucan has been well maintained and updated, including a full osmosis treatment in 2013 and a brand new engine 2020. The accommodation is unusual in a boat of this size, featuring two heads compartments, so is an ideal layout for two cruising couples.

Back on the market after the survey, most items rectified by the vendor. Contact for further details, the survey is purchasable from the surveyor directly.

Currently out of the water at the Whyboats Office at Deacons Marina.
