Manufacturer Provided Description

Jeanneau SunFast 3300 is the brain child of Guillaume Verdier and Daniel Andrieu, whose collaboration guarantees high performance and success under a variety of rating rules.

Taking advantage of Jeanneau's long history of infusion manufacturing, every part of the 3300 is infusion molded, dramatically reducing the all-up weight of the boat while increasing stiffness. Combining the light hull with twin rudders, carbon rig, generous sail plan, and straight keel, the 3300 will excel as an offshore racer. Sailing fully crewed, double, or single handed, this Sun Fast is a truly exhilarating boat, not to be missed.

Construction

Built by Jeanneau in 2020, designed by Guillaume Verdier / Daniel Andrieu
GRP hull with a fin keel and shaft drive propulsion
Storage cradle with hull formers included in sale
Dry sailed from New
Racing antifoul applied
Hull modifications to flush mount transducer

LOA: 33 ft 2 in / 10.11m
LWL: 29 ft 2 in / 8.90m
Beam: 11 ft 1 in / 3.40m
Deep cast iron-lead keel: 6 ft 5 in / 1.95m
Displ: 3,500 kgs
Fuel: 50L
Water: 100L

Navigational

GS tack fitting padeye
Spinnaker staysail tack fitting padeye
2nd Spinnaker tackline and end fitting
Dyneema hanging lines in cabin
Hatch retaining mechanism for Cat.2 regs
Boarding ladder
Custom cradle

OWNERS COMMENTS:

GENTOO is a 2020 Sun Fast 3300 designed by Andrieu and Verdier. Verdier has designed come of the world's fastest Mini 6.50's, Class 40's and IMOCA 60's and Andrieu has a string of successful IRC and IOR race boats to his name. Between them, they have designed a fast, competitive IRC short handed racer / cruiser which already has an enviable race record.

GENTOO has been used in an Olympic campaign by Dee Caffari and James Harayda for the 2020 and 2021 racing seasons. The boat comes completely ready to sail accompanied with many quality spares and safety equipment.

GENTOO has been heavily optimised for IRC racing (1.025) and to be sailed double handed. She is also competitive when sailed fully crewed. The boat has a high spec with a full carbon mast (2020), Quantum Sails wardrobe (2020/2021) and B&G electronics (2020). The boat has had all new, upgraded rigging in Spring 2021. Gentoo has been maintained to the highest level and dry-sailed for her lifespan. The hull has had a full sand back and top quality respray of A4 T-Speed antifoul in 2021.

The reason for the sale is to raise funds for a new project.
