Remarks :

Discover the Airon Marine 345 – Built in 2008, this well-maintained vessel boasts 2 x Volvo Penta 260 engines with approximately 800 hours on each, equipped with z drives. 5 Berths and a single head. Equipped with essential features such as GPS, VHF, an electric windlass, and a generator. Its teak cockpit, galley, and cabins exude elegance. Two fridges (one inside and one outside), an exterior gas hob, and an electric interior hob. The versatility of this vessel is further highlighted by an electric table that transforms into a sunbed, an electric engine bay hatch for easy access, and five batteries ensuring reliable power distribution. Additionally, it comes with a cockpit cover and bow cushions for added comfort and protection. Currently in winter storage inside— contact us today to learn more and start planning your next maritime journey.
