### **Disclaimer**

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

### Remarks :

Disponible en diferentes onfiguraciones.

El Aventura 37 se distingue por una silueta elegante y dinámica, única en el mercado de catamaranes de menos de 12 metros: el techo cuenta con un asiento doble en el timón, cerca del área de descanso al sol para una convivencia perfecta, y la estación de maniobra está ubicada lo más cerca posible del plan de velas, permitiendo un excelente control de las velas para un rendimiento óptimo. El salón exterior es increíble con asientos cómodos dispuestos alrededor de una mesa que puede acomodar hasta 8 invitados; con su escalera que permite un acceso directo al techo, su área de descanso/relajación al sol, sus amplios espacios de almacenamiento y su plancha integrada, no tiene nada que envidiar a los más grandes.

The Aventura 37 is distinguished by an elegant and dynamic silhouette, unique in the sub-12 meter catamaran market: the roof has a double seat at the helm, close to the sundeck for perfect conviviality, and the manoeuvring station is located as close as possible to the sail plan, allowing excellent control of the sails for performance.

The outside saloon is incredible with its comfortable seating ideally arranged around a table that can accommodate up to 8 guests; with its staircase allowing direct access to the roof, its sunbathing/relaxation area, its vast storage spaces and its integrated plancha, it has nothing to envy to the biggest!

Inside, the layout and ergonomics have been exceptionally well thought out by designer Samer LASTA, resulting in a comfortable saloon for 5 to 6 guests, a complete galley with a 285l fridge/freezer, an oven, a microwave, a dishwasher and finally, a navigation area integrating the EmpirBus electrical management system.
