Remarks :

Super solid all year round commuter built to withstand the toughest conditions and truly designed around safety, speed and comfort. The **Paragon 31** Flybridge is intended for the serious boater who wants to experience the water all year round with no concessions. The boat features full teak walk around decks, lots of stowage and a beautiful interior with contrasting mahogany woodwork and slate grey upholstery. To complete the experience panoramic windows allowing lots of light and exceptional views.

This is the perfect boat for cruising around Scotland; it is long range, comfortable and with twin inboard diesel engines, this will take you to the places you want to see in all weather. The boat is offered in fantastic condition and fully ready for the season.
